

THIS IS WHY I GIVE

“We feel that we have been fortunate over the years and feel it’s our place to give back to the community and help others less fortunate. United Way touches so many lives with support financially and emotionally. Knowing we had a small part of helping support that puts a smile on our faces.”

– Heartland United Way Donor

Last year, over 27,000 individuals in Hall, Hamilton, Howard and Merrick Counties received services because of United Way funding.
