

# POVERTY IS MORE THAN JUST DOLLARS & CENTS

*“We had a preschool student unable to speak or understand English. During her four months in preschool, she began to identify objects and speak phrases in English. She made many friends, and left with more confidence and more prepared to start kindergarten.”*

*United Way funds programs that help children and youth achieve their potential. Last year, 96% of United Way-funded preschoolers improved their skill development in preparation for kindergarten success.*
