

# POVERTY IS MORE THAN JUST DOLLARS & CENTS

*“After many tries, I am now on the path to sobriety. I am in recovery and accepting life on life’s terms, with a steady job and getting to see my children on a regular basis.”*

*United Way funds programs that improve people’s health and well-being. Last year, United Way-funded programs provided 346 individuals and families with mental health sessions to increase coping skills and overcome challenges in life.*
